## IN-KIND DONATION Form Goods & Supplies

**THANK YOU for your Donation! We truly appreciate it!**

**Please READ and complete this form in its entirety prior to donating.** The Estimated Fair Market Value MUST be completed by the donor - our Organization cannot interpret the value of any non-financial donations.

In-kind donations are gifts of property that are voluntarily transferred by a donor to Bobbi and the Strays (a registered IRS 501(c)3 organization) without compensation or expected donor benefit, other than for tax purposes as outlined by IRS regulations. These gifts may include equipment, supplies, materials, and other personal property a donor might give for use in Animal Rescue & Care or Fundraising by our Organization. Gifts of services are NOT considered to be a tax-deductible contribution and FINANCIAL donations cannot be considered in-kind donations.

Once our Organization receives your donation along with this form, our staff will record the Date it was Received and maintain the form for audit purposes. Once processed, a copy of this form will be sent to you, the donor.

IN-KIND donations must meet the standard charitable organization rules as outlined by the Federal Accounting Standards Board. **Most important - the Donation MUST BE USEFUL to the Organization to which it is being made.** Donations deemed un-useful to our organization or fall outside our guidelines for acceptance may be rejected.
